

TRANSPORTATION FEES

Background

The Division may charge transportation fees in order to provide a quality transportation service to students.

Procedures

1. Transportation fees are set to supplement costs incurred for regular route operations and for any student transportation provided outside of the School Act and Alberta Education policy or regulation.
2. Collection of transportation fees shall be pursued diligently by the receiving school.
3. Transportation fees will be determined annually during the budget process.
4. Transportation fees shall be levied in accordance with the School Act and subsequent regulations.
5. No refund of fees will be issued until the family moves out of the attendance area or when the student becomes an eligible student for funding purposes.
6. If an NSF cheque is received or payment of fees is in arrears, the student will be denied transportation services until the NSF cheque is honored or the arrears are paid.
